A motivated and enthusiastic Frontend Developer passionate about creating user-friendly, visually appealing web experiences. Eager to leverage my skills in HTML, CSS, JavaScript, React Native, utilizing version control systems and staying up-to-date on emerging technologies to contribute to innovative projects and gain practical experience in the field of web development

EXPERIENCE

Frontend Developer Intern

Jul 2024 - Present

HNG Internship

Achievements:

- **Created a Single Page Website:** Developed a visually appealing and responsive single-page website outlining personal tech goals for the next two years, showcasing proficiency in frontend development and design principles.
- **Authored Technical Article:** Wrote a comprehensive technical article using Markdown syntax, comparing frontend technologies such as React and Vue.js. Demonstrated strong communication skills and technical knowledge in web development.
- **Collaborated with Product Designer:** Partnered with a product designer to conceptualize and execute a website project, emphasizing teamwork, creativity, and the ability to work across disciplines.

Responsibilities:

- **Frontend Development:** Utilized HTML, CSS, and JavaScript to implement designs and functionalities for the single-page website project, ensuring cross-browser compatibility and responsiveness.
- **Technical Writing:** Used Markdown syntax to articulate complex technical concepts and comparisons between React and Vue.js in the article, aimed at educating and informing peers and stakeholders.
- **Design Collaboration:** Engaged in discussions with a product designer to translate design concepts into functional web elements, integrating user experience considerations and design principles.

Lead Frontend Developer

Jan 2024 - Mar 2024

Restaurant Website Project

Achievements:

- **Project Leadership:** Led the development team in creating a responsive restaurant website, ensuring all tasks were completed on time and met project specifications.
- **Frontend Development:** Implemented the frontend using HTML5, CSS, and JavaScript to create a seamless and engaging user experience.
- **Responsive Design:** Ensured the website was fully responsive and functional across all devices, including desktops, tablets, and smartphones.
- **React Native Development:** Utilized React Native to enhance the website's interactivity and performance.
- **Collaboration:** Worked closely with a mid-level frontend developer to divide tasks, review code, and integrate various components of the project.
- **Quality Assurance:** Conducted thorough testing and debugging to ensure a smooth and bug-free user experience.

Responsibilities:

- **Successful Project Completion:** Delivered a fully functional, responsive restaurant website that met all client requirements and received positive feedback for its design and usability.

- **Cross-Device Compatibility:** Achieved a high level of responsiveness, ensuring optimal performance on various devices and screen sizes.
- **Leadership:** Effectively led the project, coordinating efforts between team members and maintaining a high standard of code quality and project management.
- **Technical Proficiency:** Demonstrated advanced skills in HTML5, CSS, JavaScript, and React Native, contributing significantly to the project's success.

EDUCATION

Bachelor of Science (B.S.) - Mathematics

Sep 2021 - Jul 2026

University of Lagos, Lagos

SKILLS

- **Frontend Development:** HTML5, CSS3, JavaScript, React
- **Version Control:** Git, GitHub
- **Responsive Design:** Flexbox, CSS Grid, Media Queries
- **API Integration:** RESTful APIs, Axios
- **Tooling:** Webpack, npm
- **Testing & Debugging:** Chrome DevTools, Jest
- **Additional Skills:** Bootstrap, Tailwind CSS, TypeScript
